

American Rescue Plan: Healthcare

The American Rescue Plan will reduce healthcare costs for almost **9 million** Americans by expanding subsidies in the Affordable Care Act marketplaces.

Access Health CT has opened a Special Enrollment Period from **May 1 – August 15, 2021** for new and current customers to take advantage of newly available financial help provided by the American Rescue Plan.

According to AccessHealthCT.com, because of the American Rescue Plan:

- The average family will save **\$116.05 per month**, or **\$1,392.57 per year**
- Households with annual income over \$51,040 will be newly eligible for financial help through Access Health CT and will see an average monthly savings of **over \$500 or over \$6,000 a year**.
- People with annual income up to \$19,140 of the can now buy silver plans for **nearly no monthly** premium with **no deductible** (the amount you pay for covered health care services before your insurance plan starts to pay) and low copay and coinsurance amounts.
- Over half of current households in a qualified health plan will now pay **under \$16/month** for their health insurance.
