Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$1.5 million in community project funding for Sterling House Capital Improvements.

The entity to receive funding for this project is the Sterling House Community Center, Inc., located at 2283 Main Street, Stratford, CT, 06615.

The funding would be used replace a 135-year-old tile roof, gutter system, and other deteriorating areas of the building's exterior including brick siding, one flat roof and one exterior porch and associated areas including windows and entrances, labor and materials all-inclusive for Stratford's largest Food Pantry and social service agency including pre-school, after school, summer day camp and other community services.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Rosa L. DeLauro".
