ROSA DELAURO

Representing the Third District of Connecticut

Graduates of our Service Academies includes leads such as President Carter, General MacArthur, Senator McCain, Members of Congress, Astronauts, CEOs, Nobel Laureates, Medal of Honor Recipients and countless heroes who have dedicated their lives to our country. Our Service Academies have a long line of graduates and leaders who have offered service and duty to our country.

Our Nation's Military Service Academies are our military's leadership, pride and premier commissioning institutions that train and educate leaders of tomorrow. Within every cadet and midshipmen who attend one of these is a dedication to excellence, service and sacrifice for our country and I applaud your desire to attend.

Competition for appointments to Service Academies is fierce, but I hope that our office can help guide you toward earning that appointment. To assist me with the selection process is a Service Academy Advisory Board composed of dedicated and distinguished community leaders that thoroughly reviews applications and interviews candidates to make nomination recommendations on a competitive. I strongly encourage you to apply and I look forward to your application.

Once again, I commend your willingness to attend a Service Academy. Your successes will become our country's successes. And our country's future will depend on your dreams and your visions. Our office is invested in your success and is here to support and guide you through the process. If you have any questions on the Nomination Process, about the Service Academies or their Preparatory Programs, please feel free to contact my office via email at DeLauro.Academy@mail.house.gov or at (203)-562-3718.

All the best,

ELIGIBILITY

Nominees to the service academies **MUST BE** United States citizens and applications to Congresswoman DeLauro's office must be **PERMANENT** residents of Connecticut **AND** the Third Congressional District. ****Please note that the towns of Middletown, Shelton, and Waterbury are divided between two Congressional Districts. By law, Congresswoman DeLauro can only provide nominations to those that reside in her district. If you live in one of these towns, please confirm with your Registrar of Voters that you reside in the Third Congressional District or contact the office with questions.**

Candidates must be at least 17 years old but have not passed their 23rd birthday by July 1 of the year of admission. (Candidates for admission to the U.S. Merchant Marine Academy must be at least 17 years of age and have not passed their 25th birthday before July 1 of the year of admission.) Candidates must be unmarried and have no legal obligations to support any dependents. These stipulations have been established by the service academies.

NOMINATION PROCESS

The law pertaining to congressional nominations stipulates that each Member of Congress is allowed a maximum of five "charges" at each academy in any given year (Merchant Marine is an exception). When a "charge" graduates, a vacancy is created that the member may fill. Each member nominates a slate of ten candidates for each vacancy. **Congresswoman DeLauro uses a "competitive" form of nomination.** Using this method, Congresswoman DeLauro submits to the academy an unranked list of nominees for each vacancy and does not give out principal nominations. The academy then reviews the list and selects the most fully qualified candidate. This candidate becomes the member's charge. The remaining nominees are then considered and may also be offered appointments but they will not be the member's charge.

Due to the competitiveness of this selection process, it is strongly recommended that each candidate applies to both U.S. Representative and their U.S. Senator. Applications may also wish to consider applying to the Vice President for nomination. Please refer to the academy catalog or an admissions representative for further information.

If an applicant has a parent who is an active or retired military person, a disabled or deceased veteran, a POW/MIA, or a Medal of Honor winner, the candidate may also wish to contact the academy to learn of additional means of receiving a service-connected or Presidential nomination.
