Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cyber Lab Project in fiscal year 2026. The entity to receive funding is Albertus Magnus College, 700 Prospect St, New Haven, CT 06511. The funding would be used to enhance and improve the quality of its cybersecurity laboratory capabilities. The project is an appropriate use of taxpayer funds because it will assist a local not-for-profit university with improving its scientific equipment and capacity to the benefit of its students and our community.

The project has a Federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Rosa L. DeLauro".
