March 27, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Department of Transportation (DOT) Highway Infrastructure Projects grant for the Connecticut Department of Transportation in fiscal year 2027. The entity to receive funding for this project is located at 2800 Berlin Turnpike, Newington, CT 06111. The funding would be used to cover some of the costs associated with operational lane and pedestrian improvements along U.S. Route 1 between the Milford, CT town line to Lambert Road.

The project is an appropriate use of taxpayer funds because it will provide better traffic flow, reduce crashes, and improve access to adjacent businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 133 of title 23 of the United States Code. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Rosa L. DeLauro".
