March 27, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Department of Transportation (DOT) Transit Infrastructure Grant for the New Haven Parking Authority in fiscal year 2027. The entity to receive funding for this project is located at 232 George Street, New Haven, CT 06510. The funding would be used to cover some of the costs associated with the Ride New Haven Hub Connectivity project.

The project is an appropriate use of taxpayer funds because it will address persistent gaps in first- and last-mile connectivity to New Haven's major transit hubs, improve mobility for low-income and transit-dependent residents, reduce reliance on single-occupancy vehicles, and support access to jobs, grocery stores, education, and other essential services.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Rosa L. DeLauro".
