Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Department of Transportation (DOT) Airport Improvement Program grant for the Tweed New Haven Airport Authority in fiscal year 2027. The entity to receive funding for this project is the Tweed-New Haven Airport located at 155 Burr Street, New Haven, CT 06512. The funding would be used to cover some of the costs associated with the Tweed ARFF Building Expansion.

The project is an appropriate use of taxpayer funds because it will provide needed fire safety components that are required as a condition of the ongoing airport expansion.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Rosa L. DeLauro".
