March 20, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Federal Emergency Management Agency (FEMA) Emergency Operations Center (EOC) grant for the City of West Haven in fiscal year 2027. The entity to receive funding for this project is the City of West Haven, located at 355 Main Street, West Haven, CT 06516. The funding would renovate the city's current emergency response system and connected security systems.

The project is an appropriate use of taxpayer funds because it would serve all 55,000 residents in West Haven by making critical investments in the town emergency management, preparedness, and response capabilities.

The project has a Federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Rosa L. DeLauro".
