UNITED STATES HOUSE OF REPRESENTATIVES

ROSA L. DELAURO
3RD DISTRICT, CONNECTICUT

March 27, 2026

Dear Chairman Cole, Chairman Womack, and Ranking Member Clyburn:

I am requesting funding for an Economic Development Initiative (EDI) grant for the Wallingford Historic Train Station Restoration in fiscal year 2027. The entity to receive funding for this project is the Town of Wallingford located at 45 South Main Street, Wallingford, CT 06492. This project funding will support exterior improvements and restoration of the historic railroad station building.

The project is an appropriate use of taxpayer funds because restoring the station for a new use has the potential to increase area pedestrian traffic, stimulate the local economy, retain jobs, spark property improvements and transit-oriented development, attract new business and positively impact on the quality of life in Wallingford. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5035(a)(1) and 5035(a)(2). The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5035(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Rosa L. DeLauro".
